

Non-NPSBN Vendor Meeting Request Form

In addition to the acquisition activity associated with the Nationwide Public Safety Broadband Network (NPSBN), FirstNet may have a need to meet with vendors and organizations that have capabilities for other products and services. FirstNet is currently accepting meeting requests from interested vendors who wish to discuss matters unrelated to the NPSBN Request for Proposals (RFP). There is a separate form for vendors wishing to discuss the NPSBN RFP at [this link](#).

FirstNet will use the information presented on this form to determine whether or not a meeting will take place. Depending on FirstNet's priorities at the time, the meeting request may be accepted, denied, or deferred to a later date. The Industry Liaison will review the request with other appropriate FirstNet staff and will contact the vendor requesting the meeting to let them know if the meeting has been scheduled. Vendors will be contacted approximately one week in advance of any scheduled meeting with a time and date as well as a list of attendees from FirstNet.

Requestor Information		
Date of Request (MM/DD/YYYY)	Requestor Name	Title
Company / Organization		
Address		
Phone	Email	
Company/Organization Information		
List your company's capabilities pertinent to FirstNet:
